Bionicle: The Invasion of Earth

34 0 2

Chapter 1 by Gwideon

In 20XX Three giants fell to our world. These giants were Bio mechanical beings from a different world. Their leader had taken over their world and tried to kill them but they escaped and as far as they knew they were the last of their kind. They had landed in the new york bay causing a huge tidal wave to hit new york. Then they rose up to the mighty height. The tallest was 4 stories high. Then the attack began. The military of earth rushed out what they could, Including the mk1 series mech. I was one of the mech pilots. I had been trained from birth and had received numerous enhancements. I was the perfect soldier.
